NOTES ON COMPLETION OF APPLICATION FOR MODIFIED PAPERS

- When this form is used it **must** be to order modified papers for each series for those students who require modified language or modified print. **The students cannot access the standard versions of the examination question papers.** Centres **must** tick their preferred choice of format.
- Centres **must** order Braille papers as appropriate to the student's normal way of reading Braille, ie SEB or UEB, and the particular subjects being studied.
- The information given **must** be accurate and complete.
- Any changes to entries or other requirements **must** be conveyed immediately to the appropriate department in each awarding body.
- The awarding bodies **will not** undertake to supply modified papers if requests are received after the deadlines or student entries are amended late.

Deadlines for making applications for modified papers to awarding bodies – at least ten weeks before the date of the assessment. This form needs to be returned to:
