

COPYRIGHT ACKNOWLEDGEMENTS

For the January 2023 exam series

V1.0 January 2023

COPYRIGHT ACKNOWLEDGMENTS FOR JANUARY 2023

This booklet contains acknowledgements for third-party copyright material used in OxfordAQA assessment materials and question papers for the January 2023 examination series.

OXFORDAQA AND THIRD PARTY COPYRIGHT

For confidentiality purposes acknowledgements of third-party copyright material are published in a separate booklet rather than including them on the examination paper or support materials. All papers which include third-party copyright material will be listed in this booklet arranged alphabetically by subject. Where a paper has more than one edition the acknowledgement will appear separately under each unit. Please assume that any examination papers which are not listed in the booklet are purely the copyright of OxfordAQA.

We will publish a booklet after each examination series. It will be made available on the OxfordAQA website at **oxfordaqa.com**

Permission to reproduce all copyright material has been applied for. In some cases, efforts to contact copyright-holders have been unsuccessful and OxfordAQA will be happy to rectify any omissions of acknowledgements.

The Oxford AQA copyright team can be contacted by email at **copyright@aqa.org.uk**.

HOW TO FIND AN ACKNOWLEDGEMENT

Each acknowledgement is listed first by subject and then under the unit number of the examination paper in which the copyright material appears. Where an exam paper has more than one document associated with it, each document is given with its separate acknowledgements.
