

CANDIDATE RECORD FORM PRODUCTION LOG AND ASSESSMENT RECORD

INTERNATIONAL EXTENDED PROJECT QUALIFICATION (9695)
(Version 1.0) (Published November 2025)

Please attach the form to your candidate's work and keep it at the centre or send it to the moderator as required. The declarations should be completed as indicated.

Centre number

Click or tap here to enter text.

Centre name

Click or tap here to enter text.

Candidate number

Click or tap here to enter text.

Candidate's full name

Click or tap here to enter text.

Work submitted for assessment **must** be the candidate's own. If candidates copy work, allow candidates to copy from them, or cheat in any other way, they may be disqualified.

Candidate declaration

Have you received help/information from anyone **other than** your supervisor (include specialist consultant if relevant) to produce this work?

☐ No

☐ Yes (give details below or on a separate sheet if necessary).

Click or tap here to enter text.

Please list below any books, leaflets or other materials (eg DVDs, software packages, internet information, artificial intelligence (AI) tools) used to complete this work **not** acknowledged in the work itself. Presenting materials copied from other sources **without acknowledgement** is regarded as deliberate deception.

Click or tap here to enter text.

From time to time we use anonymous examples of candidates' work (in paper form and electronically) within our guidance materials to illustrate particular points. If your work appears in OxfordAQA materials in this context and you object to this, please contact us and we will remove it on reasonable notice.

I have read and understood the above. I confirm I produced the attached work without assistance other than that which is acceptable under the scheme of assessment.

Date

Supervisor declaration

I confirm the candidate’s work was conducted under the conditions laid out by the specification. I have authenticated the candidate’s work and am satisfied (to the best of my knowledge) that the work produced is solely that of the candidate. Artificial intelligence has not been used as the sole or primary means of marking candidates’ work. Any use of AI is supplementary to the marking process and its use is continually monitored and assessed.

Notice to candidate You must not take part in any unfair practice in the preparation of project work required for assessment and you must understand that to present material copied directly from any book or any other sources without acknowledgement will be regarded as deliberate deception. If you use or attempt to use any unfair practice you will be reported to OxfordAQA and you may be disqualified from **all** subjects.

Candidate declaration

I certify that I have read and understood OxfordAQA Regulations relating to unfair practice as set out in the notice to candidates above.

Summary and reflection

To be completed by the candidate

This page records your summary, reflection and evaluation of your planning, the final outcome and your personal learning. It should be written after you have completed your report and given your presentation.

Some questions you may wish to answer in this section include, what have I learned from completing this project? What new knowledge or expertise have I enjoyed or found valuable? What are the strengths and weaknesses of my project (including planning and organisation)? What skills have I improved? What changes would I make if I undertook such work again? What advice would I give to others undertaking such a project?

Click or tap here to enter text.
