Specimen paper

07:00 GMT

Time allowed: 1 hour 15 minutes

(including 5 minutes' reading time before the test)

### Materials

- You will need no other materials.

### Instructions

- Answer all questions.
- Use black ink or black ball-point pen.
- Fill in the boxes at the top of this page.
- You must answer the questions in the spaces provided. Do not write outside the box around each page or on blank pages.
- If you need extra space for your answer(s), use the lined pages at the end of this book. Write the question number against your answer(s).
- Do all rough work in this book. Cross through any work you do not want to be marked.

### Section A: Listening

- This is what you should do for each item.
- After the question number is announced, there will be a pause to allow you to read the instructions and questions.
- Listen carefully to the recording and read the questions again.
- Listen to the recording again and then answer the questions.
- When the next question is about to start you will hear a bleep.
- You may write at any time during the test.
- Write neatly and put down all the information you are asked to give.
- **You must not ask questions or interrupt during the test.**
- Once Section A: Listening is complete, you will have the remaining time of approximately 45 minutes to complete Section B: Writing
- You now have 5 minutes to read through the question paper. You may make notes during this time. You may open your answer book now.
- The test starts now.
