## Exam starting time guidance

Version 1.2

## Starting times

All schools **must** take their exams at the published starting time and students **must** remain under examination conditions **until 1 hour after the published starting time** of the exam.

The published starting time of exams is given in UK time. This varies depending on UK daylight saving time. Daylight saving time is observed in the UK from the last Sunday of March at 00:01 until the last Saturday of October at 23:59.

- During UK daylight saving time, the exam time starting time is 08:00 UK Time
- During UK standard time, the exam starting time is 07:00 UK Time

Exam papers and inserts are uploaded to Centre Services and Customer Services open 90 minutes before the exam starting time.

## November Series

OxfordAQA examinations **Monday 19 October to Friday 23 October** are scheduled to begin at 08:00 UK Time.

OxfordAQA examinations from **Monday 26 October** are scheduled to begin at 07:00 UK Time.
