

International exam timetable

May/June 2027

General notes

1. Each exam must be taken on the day, date and at the time shown on the timetable. The published starting time of all exams is 08.00 (UK time). Students taking more than one exam in a session must take these consecutively. At the discretion of the school(s) a supervised break may be given between the exams taken consecutively. Please refer to our [General regulations and terms and conditions for approved centres](#) on the [Terms and conditions](#) page of our website for further details.
2. School(s) may start an exam up to 30 minutes before or delay the starting time of an exam by up to 30 minutes later than the published starting time without notifying OxfordAQA.
3. For information on any other timetable variations, please contact [Customer Services](#).
4. In the event questions papers need to be downloaded, they will be available in Centre Services 90 minutes prior to the published start time. Full instructions on securely downloading question papers are on our [website](#).
5. Schools with timetable variations must download all question papers due to be taken within the 90 minutes prior to the published start time.
6. Students finishing the exam early must remain under supervision until **at least 1 hour after the published start time**. For exams that last less than one hour, students must remain under supervision for a period equal to the examination duration.
7. Any reading time allowed for an exam is included in the time specified.
8. All examinations must be conducted in line with our [General regulations and terms and conditions for approved centres](#).
9. The latest dates by which school(s) should submit their marks/assessments or levels to OxfordAQA for moderation are shown in the table below:

Submission date	Subjects
01 May 2027	All internally assessed units and components, including International Extended Project Qualification
