

Syllabus matching grid – OxfordAQA International GCSE ESL Student Book

This syllabus matching grid identifies which section of the OxfordAQA International GCSE English as a Second Language (ESL) syllabus each Unit in the Student Book maps to. It also identifies whether the Unit is relevant to the original “Extended” syllabus (9280) or just the new “core” syllabus (9285). Note that study of the topics identified as Core is required for the Extended syllabus also.
